Dear Friend,

When it comes to getting that book out of your head and into the hands of the people that need it, it can be frustrating, overwhelming, and seemingly impossible.

I know how you feel! On writing my very first book 20 years ago, I ran into every scenario you can think of!

I spent too much money because I didn't have someone to show me the most effective way for the best price. I literally spent tens of thousands of dollars to get that first book published! However, I don't regret it! Why? Because **every cent I invested into that book came back to me more than 100 fold** (not a joke!).

I spent too much time fighting with what I lovingly refer to as, my Inner Terrorist™. You know the 'guy' in your head that tells you; "You're not smart enough!" "You're not good enough." "Do you know how many business books there are out there?" "Seriously, you didn't get high enough marks in English to pull a book off." "Blah, blah, blah..."

As a matter of fact this fight within myself left me with devastating consequences. I wanted desperately to show my Dad my book. I was one week too late. **Yet, I learned that life was too short to sit on my dreams. I never made that mistake again.** I made a vow – as I dug a hole in his fresh grave to 'plant' the book – that I wouldn't let my negative self-talk ever hold me back to this degree again! I would share with the world the truth of who they are in Christ – so that they can let go of the self-deprecating behaviors.

Yes, writing a book can cause such a massive shift in our own personal world – but do you know what else I found? It can make a huge impact on those important people that YOU are CALLED to influence – for God's Glory with YOUR STORY!

That brings me to why we are doing the Boot Camp... **3 Power-Packed, Holy Spirit Days on MAY 22, 23, and 24th 2019...**

REGISTER NOW! --- ONLINE- www.ABookIsNeverABook.com

We will uncover how to **'Publish with Ease!'** and I will share with you how I and my team can link arms with you. I like to think of it as a partnership. You bring your gifts, talents and abilities – I will bring mine – and together – we will give God the Glory! Amen?

Then, we will show you how to **'Make Money Now!'** It's true! You don't have to wait until the book is finished before you begin your earnings! You can get started right away. There are so many ways to make money – but understanding who your *'Magic Multiplier Client'* is could bring in thousands of dollars. Just this week, I had an email from one of our authors who was so blessed because they had learned this valuable skill. It works, in business AND ministry!

OUR BOOT CAMP HAS JUST GONE FROM A LIVE ONLY EVENT IN ALBERTA,CANADA – TO AN ON-LINE ONLY (LIVE) 3 DAY INTENSIVE WORKSHOP!

NEWS RELEASE

(Alberta, CANADA), ChristianAuthorsGetPaid.com has officially released their BIG announcement for the 2019 “A Book Is Never A Book” Boot Camp set to commence on **May 22, 23, and 24th, 2019**

Kathleen Mailer, Founder/Facilitator (#1 Best Selling Author of over 50 books and a veteran of 20 years in the (self) Publishing Industry), exuberantly broadcasts to those who have a call on their lives to share their message with the masses.

“We are ALWAYS looking for ways to support our author family. Our Annual Boot Camp has always been an incredible wealth of ‘put into practice’ know-how, and a ‘get it done’, life-changing actions. The participants always experience an empowering; Holy Spirit filled, focused community and they have made life-long friendships through the intentional process that God has given us.

*In the past, we would have writers from all over the world join us here, in Southern Alberta for our 3 Day intensive training that enables you to **WRITE that book!** (self) **PUBLISH with EASE!** (last year we had participants from Mexico, India, USA, Africa, and Canada) And **MAKE MONEY NOW**. EVERY person who has ever come has agreed the investment was worth it, (registration fee, Hotel and Travel costs, and the Time OFF from their regularly scheduled lives). The Boot Camp itself was appropriately priced at \$2500.00 of solid meat and potatoes.*

HOWEVER, this year the Lord RELEASED us to take the **Boot Camp LIVE, on-line,** so that we can make the opportunity available to more people around the world AND make it MORE

AFFORDABLE for YOU to attend and for US to facilitate. It also means that as God moves us into doing a 'new thing' for business – you too – can model our system in order to launch YOUR message – to reach the masses easier, more efficiently and more effectively. IMPACT and INFLUENCE is our mandate, let's do it together!"

So what did they do? **They passed on the SAVINGS to YOU!** They are bringing this incredible platform to the comfort of your very own home.

Instead of \$2497.00 your ticket is **NOW A VERY AFFORDABLE \$1,497.00 (regular price) AND ONLY - \$997.00 (Early Bird - IF you purchase BEFORE MARCH 15th, 2019!)**

OH WAIT! THERE IS MORE...

Mailer said, "Our authors are like family. AND, as we say in the book business, there is NEVER just one book! As a result, our Boot Camp often seems like a family reunion. Our graduates come back year after year to a Holy Spirit encounter, getting direction, breakthrough, plans, and renewed focus to carry out what God has called them to do. SO, we are also passing on EVENMORE savings to our graduates. Instead of full price, Graduate tickets – if you have ever been to the Boot Camp in the past – you are eligible this year for a scholarship of \$500. That means for ONLY \$997 (regular price) you can come 'home' and get plugged into the community, your next adventure, and/ direction for the next season of your journey! HOWEVER, WHAT I AM MOST EXICTED ABOUT?

EARLY BIRD PRICING IS IN EFFECT (BEFORE December 12th, 2018)– YOU WON'T NEED THE SCHOLORSHIP – BECAUSE YOUR INVESTMENT IS ONLY \$497!"

**PREVIOUS GRADS YOU WILL WANT TO
ACT NOW TO GET YOUR EARLY BIRD SEAT
TO THIS NEW ON-LINE, ONE OF A KIND
'A Book Is Never A Book Boot Camp'**

AND – WAIT until you **SEE THE BONUS** that they have built in to help their students (if they want to) get a return on that investment within a few short weeks of the Boot Camp. They added an EXTRA 4 WEEK (on-line), hands-on, marketing plan of the NEW BOOK that EVERY GRADUATE can be a part of (at no extra cost). It is Kathleen's very successful program: **STEP-BY-STEP, LAUNCH YOUR BOOK WITH A BANG Marketing System.**

Many authors have paid way over \$1,497 for this specialized training. It is something that Kathleen uses time and time again for EVERY book she launches. **It's yours FREE with the registration.**

Mailer warns, "You should still take time away from distractions. Get a hotel room if you have to, to make sure that it is *YOU TIME* and *NOT* devoted to anything else. There is a lot of work to do. There is homework and connecting with others in the evenings and there is a lot of contemplation needed to ensure you get the *MOST* out of this process.

As an aside, there will *NOT BE ANY REPLAYS* that you can go back to at the end of the day. *SO* – it is important you are *100%* there from the start – to the finish. You deserve to get everything *GOD* has in store for you! Don't short change yourself."

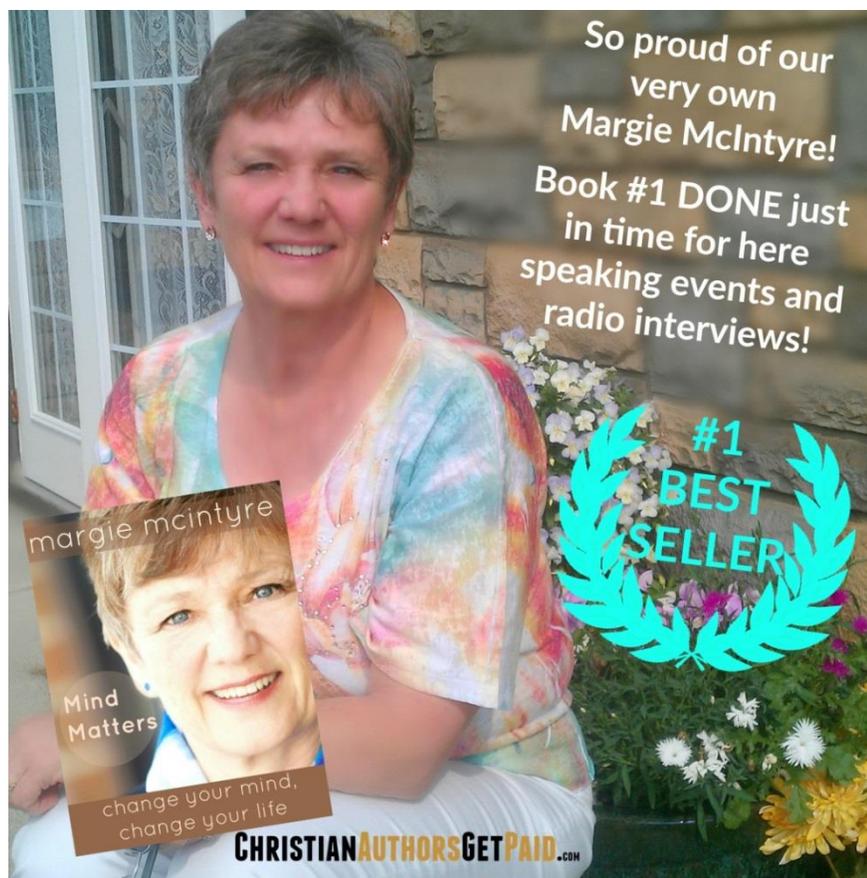

Kathleen and her team, a dedicated group of specialized book shepherds; mentors, teachers, and authors themselves – are ready to give you the attention you deserve and need to ensure that *YOU* honor the call of God on your life **and GET THAT BOOK OUT OF YOUR HEAD AND INTO THE HANDS OF THOSE THAT NEED IT.**

Isn't it time YOU turned the page and started a NEW CHAPTER in your life?

I didn't think it was possible, but she did it! Kathleen Mailer promised that she would show us how to write, market and publish our own books in one day and she delivered on that promise! I was provided

with the right tools and so motivated that I went home and started writing the very next day! That was her "Book Boot Camp" 5 years ago and I have attended all but one "Boot Camp" ever since. During that time I have written and published "Mind Matters, Change Your Mind, Change Your Life!"- I have published a revision of that book, as well as a study guide to go with it and I am close to finishing my second book, "The Last Piece Of The Puzzle". AND- the book has opened up a platform for me to reach my perfect target market here AND in Taiwan! It's so exciting~

Kathleen is an amazing guide and mentor who has walked me through all the steps from writing to publishing and marketing, with ease. I have been drawn back to "Boot Camp" year after year because she has captured my interest and I want to keep learning and writing. I love how she changes the "Boot Camp" up every year and always offers something new along with her original teachings.

My confidence levels have soared as I have stepped out of my comfort zone to meet the challenges she has put before me on a regular basis! A book is never a book! I am truly thankful that I have met Kathleen. Not only have we become fast friends but she is a tremendous encouragement and an uplifting influence in my life!

WHAT MAKES THIS BOOT CAMP SO DIFFERENT?

When it comes to Christians writing and publishing their books, many find that the devil sends confusion and chaos to stop them from reaching out with their POWERFUL MESSAGE to make an impact for the Kingdom.

We find that **many don't even know where to start in the process.** Over and over they start their book and then find themselves going down a bunny trail. It can be very frustrating to say the least! Besides that, there are so many places to find information these days, how do you discern what is right and true? Our “A Book is Never A Book” Boot Camp welcomes the Holy Spirit to guide us as we take you through a proven, reliable method to help bring clarity on which book you should write first - for the right reasons!

We know how hard it is to keep up the balance between God, family, and work - let alone adding a book to your 'family business'. Throughout the event - we are skilled at showing you how to lead yourself through the process AND also giving you the extra incentive as to whom you should have as your Book Shepherd (including marketing plans) through the twists and turns of being an Author-Preneur.

The 'A Book is Never a Book Boot Camp' is taught by Kathleen D. Mailer, creator of the SEED-FORMULA™ (as taught to her by the Holy Spirit). Kathleen has taught tens of thousands of people over the years how to write their book; publish it with ease using the latest technology; and make money while they are doing it. She talks her walk ever since

her first book was released in 1998 - *Breaking Through Your Business Barriers! An Entrepreneurial Handbook* (sold 80,000 books in its first year). She continues to do that to this day! Her current work - (Book #50) is *Walking In The Wake of the Holy Spirit, Living An Ordinary Life With An Extraordinary God!* (Scheduled to launch in 2019)

In this 3-day, hands-on, role-up-your-sleeves event, you will:

1. Learn how to **WRITE that Book!**
2. Self-**PUBLISH it with ease**; avoiding major and expensive pitfalls and mistakes
3. **Make MONEY** while you are doing it; understanding marketing **STARTS BEFORE** you write it, and
4. **BECOME a PUBLISHED AUTHOR**, by submitting your homework. You will walk out of the Boot Camp a Co-Author of our #1 Best Selling Series - *Walking In Your Destiny™*

You will also know how to use that Co-Authored book to create cash flow, open up speaking engagements, and give you credibility to **walk onto the platform to your purpose.**

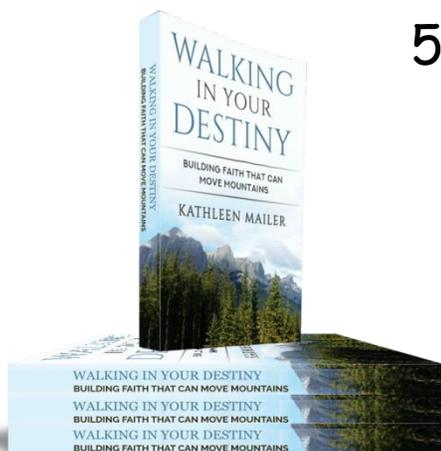

Register for the A Book Is NEVER A Book Boot Camp today and spend 3 days with Kathleen D. Mailer and the INCREDIBLE Ground Breaking Leaders (your peers). Why? Because God is calling you to get your book out of your head and into the hands of the people that need it!

WHAT'S MY INVESTMENT?

The better question is, "How much is it costing you to sit on your book?"

How many times has God nudged you to move forward and get it done?

How many times have you walked away from a God-given platform and left money on the table because you didn't have your book to sell as a back-end source of income?

How many event planners pass you over because your story doesn't have continued substance for their audience to solidify what they learned that day?

How many clients are going to your competition because they have a book - and you do not?

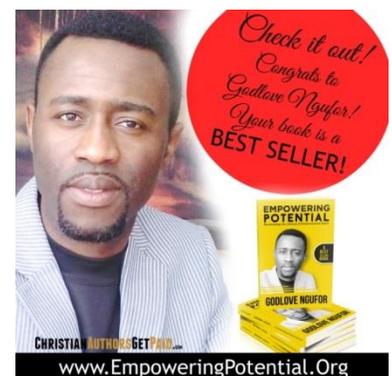

Is your message being watered down and not as effective as it can be to reach the lost for Christ because you haven't 'purposefully packaged' the POWER of your TESTIMONY?

NOT having your book available today may already be costing you a great deal!

This Boot Camp will help you to get **clear on your message** for your book; learn to **write it easily**; how to **package it professionally**; and how to **make money** while you are doing it!

Being at '**A BOOK IS NEVER A BOOK Boot Camp**' was a life altering experience for me. For a long time I greatly desired to publish a book, but did not know how to. I had even started writing a few manuscripts but never pursued them to completion. The Boot Camp was the answer to all my questions. The Boot Camp was not only a **time of instruction**, but also a time of inspiration.

Kathleen Mailer took us through the **complete process of publishing a book- from conception, to writing and then marketing the book after publishing it**. Kathleen impressed on us the fact that "A book is never a book". It could be whatever we wanted it to be and even what we could not fathom it to be; **from a testimony, a platform, a life's message, a key to open doors, a tool of healing to millions etc**. Furthermore, it was a time of networking with like-minded people who encouraged and prayed for each other through the writing the process, but **not only that as each participant have become part of growing family of A BOOK IS NEVER A BOOK ALUMNI who keep in touch way beyond the Boot Camp and come back year after year for more information for the next level. I would strongly recommend the Boot Camp to anyone who wants to publish a book.** GODLOVE NGUFOR, Best Selling Author, Pastor, Speaker, Trainer
